The Center Services

- **FREE** Day and Evening computer training sessions for beginners provided by experienced computer professionals to build critical job skills.
- A Resource Library available at ICEC to help students develop research skills and enhance their reading abilities.
- To better serve the metropolitan Community, ICEC will organize and host meetings with individuals in need of help in the areas of health, housing and education.
- ICEC will provide life and career coaches for individuals to discuss their problems and offer solutions.
- IC-EC will also provide foreign language services.

Our Objectives

- Meet with you to learn your life and career goals and to determine if SLRDO has the right solution to get you there.
- Identify your goals and present you with a solution.
- Train and prepare you to enter a new career or enhance an existing career with a quality training program that meet your unique needs.
- Provide a hands-on learning environment to give you an opportunity to apply your knowledge in real-world scenarios.
- Give you the support you need to succeed and the tools to become a productive member in society.
